SYDNEY MASONIC CENTRE

The Conference will be held at the Sydney Masonic Centre located in the Sydney CBD. Designed by Joseland Gilling, this is one of Sydney's most uncompromising 1970s buildings. The Sydney Masonic Centre is a prime example of the "Brutalist" style of architecture, which is distinguished by off-form concrete. The building entrance is located at 66 Goulburn Street in the centre of Sydney's bustling CBD. Parking is available at the Wilson's parking station diagonally opposite the building and it has easy access to public transport.
