ICEAA International Conference on Electromagnetics in Advanced Applications

IEEE APWC IEEE-APS Topical Conference on Antennas and Propagation in Wireless Communications

LISBOA / PORTUGAL
SEPTEMBER 2-6, 2024

The 25th edition of the ICEAA and 13th edition of the IEEE APWC will take place jointly on 2-6 September 2024 in Lisbon, Portugal. An in-person presentation format is envisaged with no virtual presentations. The conferences are supported by the Politecnico di Torino, the Universidade de Aveiro, and the Politecnico de Leiria, with the principal technical cosponsorship of the IEEE Antennas and Propagation Society and the technical cosponsorship of the International Union of Radio Science (URSI). The conferences consist of invited and contributed papers, and share a common organization, registration fee, submission site, workshops and short courses, banquet, and social events. The proceedings of the conferences will be submitted to the IEEE Xplore Digital Library.

INFORMATION FOR AUTHORS

Authors must submit an extended abstract or a summary paper electronically by April 1, 2024. The extended abstract (1 page max) and/or the summary paper (2-6 pages) are definitive and therefore require a single submission.
